

2020 All In For Women Award Application

The Maricopa Chapter of the Arizona Women Lawyers Association is celebrating the 100th anniversary of the ratification of the 19th amendment through its commitment to supporting the voice of Arizona women lawyers.

In the past, we have bestowed the All In For Women award upon law firms with all of their female attorneys as members of our organization. This year, in honor of this important anniversary, AWLA is extending this award to include recognition of those law firms that further the mission of AWLA in a variety of ways.

The mission of AWLA is to promote, and encourage the success of, women lawyers throughout the State of Arizona. To nominate a law firm, describe how the firm embodies this mission – doing so comes in a variety of ways. It may be providing women attorneys with certain information and support, fostering connections among women lawyers, or monitoring and celebrating their successes. For example:

- Promotion of women attorneys to Shareholder, Managing Partner, or other firm leadership positions
- Policies and procedures that encourage and foster women participation in firm management
- Recruitment and retention programs for women attorneys
- Mentorship and sponsorship programs
- Liberal maternity programs
- Part-time and flexible schedules
- Support of judicial applications and leadership applications for Boards

Please submit this application to alexis@carpenterhazlewood.com by 5:00p.m. on February 20, 2020. Recipients will be recognized at the Maricopa County AWLA All In For Women Reception on March 5, 2020.
